Dear Outing Representative:

Thank you for considering The Savannahs Golf Course for your upcoming golf outing. In order to schedule and service your event properly, the attached contract must be completed and returned with the deposit as soon as possible. An outing fact sheet is also provided to answer any questions you might have. A date cannot be secured until the contract is returned with the deposit. Please read both the contract and fact sheet carefully.

Confirmation from The Savannahs will be made by telephone, fax, or in person when we receive the signed agreement and deposit.

Please note that the tournament chairman **must make payment 5 days in advance for the number of players that will participate in the event. There can be no refund for "no shows"**.

We suggest you set up the outing with a "payment in advance policy" when the participants register in order to meet the prepayment requirement. Be sure to include an **entry deadline** on your registration. **After the event has been prepaid, requests for additional players can be made on a "space available" basis only. The size of the outing is adjustable until 5 days prior to the date.** If confirmation is not received 5 days prior to the outing, the outing will be cancelled and the times opened for individual tee times for the public.

Also, please note that **no** food or beverage may be brought on the course without written approval from Brevard County. Arrangements for food and beverage must be made through the Putter's In, The Savannahs concessionaire. Contact them at 455-9775 at least 5 days prior to your event to make arrangements.

We are looking forward to hearing from you and helping you run a high quality golf outing. If you have any other questions, please do not hesitate to telephone.

Sincerely,

Gregory W. Sanders, PGA  
Golf Professional Manager
